MODELLO MAIL INFORMATIVA – INFORMATIVE EMAIL TEMPLATE

Subject: Apply to the MSCA MaRaThoN@University of Padua 2026 by 9 March 2026

The University of Padua will host **the 10th edition of the MSCA MaRaThoN@University of Padua** - Master your Research and Training Needs, **from 20 to 22 May 2026**.

This intensive training programme, which has reached its tenth edition, is addressed to top researchers, willing to submit a Horizon Europe Marie Skłodowska-Curie Postdoctoral Fellowship **with the University of Padua as their Host Institution**.

Interactive classes will focus on how to write a successful proposal for the next Postdoctoral Fellowships (PF) call.

Marie Skłodowska-Curie Actions are intended for experienced researchers (holding a PhD degree) of any age, nationality or discipline. They fund excellent researchers who wish to carry out their research activities abroad, acquire new skills and develop their careers.

The University of Padua offers a unique opportunity for researchers to work with highly qualified research groups across a broad inter-disciplinary network of scientific areas. Moreover, hosting an [increasing number of Postdoctoral Fellowships](#), it allows promising and motivated scientists to join a well-established and lively community of Marie Curie fellows.
